### A Note from Terri-Ann

Welcome to our first E-Newsletter. My name is Terri-Ann and I am the Director of CABB (Australia) Pty Ltd.

We are very excited to bring you news of the happenings within CABB and recent updates which you may find interesting and useful.

We at CABB are committed to providing the most comprehensive and quality health and first aid training available to you.

We are very excited to invite you to tour our new website at [www.cabb.com.au](http://www.cabb.com.au). Here, you will find our company's profile and an overview of the wide range of health and first aid training packages available. All health training packages are tailored to suit your individual requirements ensuring completeness of all your training needs. Any enquiries can be made via our website or by a simple phone call, I am sure you will find our dedicated staff friendly and helpful.

We have been very busy over the last few weeks, tendering for the Health Training for Disability Services Queensland, due Monday 11 August. We believe our previous training expertise and service to DSQ will put us in good stead to win the tender for the next twelve months.

### Business Achievers 2008

We are also very proud to have been nominated for the 2008 South West News Business Achiever of the Year. This award was won by CABB in 2002 for outstanding delivery of training services. If you would like to nominate CABB, please visit [www.questnews.com.au](http://www.questnews.com.au). (Closing date 25 August 2008)

# Can we help you further?

At CABB (Australia) Pty Ltd **we believe in you**, the recipient of our quality training, and we value your feedback. We are delighted to report that our feedback to date has been extremely positive and encouraging and we look forward to delivering the quality service that you have all come to expect from us. If you would like us to report on a particular topic or you have a story to tell we would love to hear from you and we will endeavour to add this information to our newsletter.

## Health

### Miraa House

Recently opened at Seventeen Mile Rocks, Miraa House has been developed to allow Intellectually Disabled Young Women (aged 18 to 30) to further develop their life skills. They provide educational programs for students that focus on teaching practical life skills to create a more independent life. It allows young women to continue education beyond high school and further develop their social and emotional abilities to create a happier and more fulfilling life. For further information call Linda Jones on (07) 3376 7966 or visit their website at [www.miraahouse.org](http://www.miraahouse.org).

**C.A.B.B.**  
Contenance Health and First Aid Training

The quality of our delivery of service is recognised in [Kimberly Clark's](#) proposal that CABB (Australia) Pty Ltd in addition to delivering specific health training for their clients also compile and format all their training modules. These modules are 'in production' and will be completed by end of August 2008. No mean feat for a small business!!

## First Aid

A reminder to all first-aiders!!

The Australian Resuscitation Council recommends that the Cardio Pulmonary (CPR) module of your First Aid Qualification be reassessed annually for your CPR skills to remain current or the Senior First Aid Course is recertified every three (3) years.

Senior First Aid, Basic First Aid and CPR are nationally recognised qualifications under the Australian Qualifications Training Framework (AQTF) and CABB is able to issue qualifications in these courses as per the Australian National Training Authority (ANTA) and the Department of Employment, Training and the Arts (DETA) Guidelines.

[Click here](#) to register your interest in completing a Senior First Aid or CPR course to ensure your qualifications remain current.

**Our bright spark tip:**

**Walking a little each day is a simple way to be more active and improve the effectiveness of your bowels**
