## **First Aid**

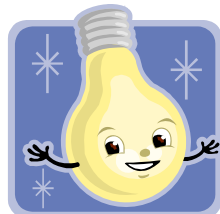

### **A reminder to all first-aiders!!**

The Australian Resuscitation Council recommends that the Cardio Pulmonary (CPR) module of your First Aid Qualification be reassessed annually for your CPR skills to remain current or the Senior First Aid Course is recertified every three (3) years.

Senior First Aid, Basic First Aid and CPR are nationally recognised qualifications under the Australian Qualifications Training Framework (AQTF) and CABB is able to issue qualifications in these courses as per the Australian National Training Authority (ANTA) and the Department of Employment, Training and the Arts (DETA) Guidelines.

**Click here** to register your interest in completing a Senior First Aid or CPR course to ensure your qualifications remain current.

### **Our bright spark tip:**

**Kids who wet the bed may have emotional baggage and feel sad, anxious and different to other children. It takes a patient and supportive parent to help put these negative feelings to rest.**
